CORPORATE ENTERTAINING AND PARTIES

Whether you are planning an exclusive reception for 50 or a themed party for 500, True North will dazzle your guests. Our sense of the visual and the dramatic lends itself to designing your unique evening based around any theme – from “Atlantis” to “Hollywood Nights”. These events will definitely enthuse and entertain your staff, colleagues and clients!

Whatever theme you choose you can be sure that no detail will be left untouched – from the decor through to the menu, the flowers to the lights, the invitations to the gifts and of course the entertainment! Some themes are suited to huge crowds, others are better for smaller numbers but whatever your inclinations, we will accommodate them!

We also know the very best places for that exclusive dinner with important clients, whether you favour innovative modern Scottish cuisine or more traditional stately homes and atmospheric castles.

EVENT THEMING AND DECOR

Corporate events have become more and more spectacular over the last few years as companies stretch the boundaries of event theming and décor, seeking to out-do each successive event. True North have been at the forefront of this new movement since it started thanks to our inspired (and demanding) clients!

As one of the country's leading party theming and decoration companies, we create new and innovative themes based on your individual brief, rather than trying to recycle previous themes and props. Our best work is often accomplished when we are given a new and challenging theme to interpret.

We achieve stunning results by working with top set designers and scenic artists and by searching high and low for just the right props, fabrics and finishing touches for your event.

Ideas for themes include (in alphabetical order) Atlantis, Babylon, Bollywood, Circus of Dreams, Cluedo, Gangsters & Molls, Greek Odyssey, Hollywood Nights, James Bond, Indiana Jones, Oscars, Pharaoh's Gold and Viva Rio. Naturally we also can produce traditional themes which include Scottish Banquets, Burn's Nights and St. Andrew's Nights complete with all the trimmings.
